

Developing Observation Skills

Clip	Running Time	Illustrates
Water Fountain	1:46	Exploring together with another child and working together to tidy up afterward
Oats Table	2:01	Having too few play materials in a small space, as well as children still learning to ask for a turn, leading to a challenging incident
Wandering	1:18	Following a child as he wanders around the room, then has difficulty rejoining the group
Group Time Chaos	1:39	Challenging behaviors from a young child with a lot of energy
Tantrum with Teacher	2:11	Acknowledging a child's feelings, stating the rules and helping a child problem solve
