

3. What social skills would you like to see your child using more often (e.g., taking turns, using kind words, making friends)?

4. What emotions would you like to see your child learn to cope with (e.g., frustration, disappointment)?

5. Are challenging behaviors a problem for you? If so, please describe the behaviors that your child is using. (How often? How long do they last? How do others react?)

6. What do you do to encourage your child to use positive behaviors?

Please bring this list to the planning meeting. We will see you soon!
