

Devereux Early Childhood Assessment
DECA Online (e-DECA)

Your program's online hub for use of the DECA Program for infants, toddlers, and preschoolers!

Print versions also available, along with several complementary and supplemental print resources.

Supporting young children from birth up until their 6th birthday:

*DECA Infant, DECA Toddler, DECA Preschool, *DECA Clinical*

Both teachers and parents can complete a DECA

Scoring and report generation done for you

Custom, research-based strategies for home and school

Checklists to reflect on classroom practices

Reflective tool to support adult resilience (your well-being matters!)

Alignment with the Head Start Early Learning Outcomes Framework

Import your data via ChildPlus or Excel

Secure online platform that complies with FERPA and HIPAA regulations

Conscious Discipline[®]

OPTIONAL: Access strategies from Conscious Discipline

A great option for those already using Conscious Discipline. Measure the impact of your existing practices!

**The DECA-C (Clinical), for ages 2-6, is designed to be used by early childhood mental health consultants and other mental health professionals with those select children who are already showing significant behavioral concerns.*
